REITHOFFER SHOWS RULES AND REGULATIONS FOR CONCESSIONS

CONCESSION MANAGER: BOB PUGH

GENERAL INFORMATION

Before pulling your concession(s) onto the midway, park out of the way and check with the Concession Manager for your location(s). Once you are on location, check with the Show Electrician for the closest available electrical service. Also check with the Lot Man for parking locations for your truck(s) and other equipment. All concessions must be open at least ½ hour before the Show opening time. If inspections are required prior to opening, the Concession Manager will tell you when they are scheduled. All connections into a common water line system require the use of 100% RUBBER hoses only.

Please report any problems with customers or Fair Officials to the Concession Manager as soon as possible. Complaint about concessions brought to the Show Office will also be handled by the Concession Manager. All concessions must post their price(s) in a location visible to the public.

Closing times can vary from night to night. Do not close your concession(s) until directed to do so. On tear down night, you must tear down and remove all of your equipment from the midway as quickly as possible. Based upon your location, there may be times when you must tear down earlier or even quicker to allow tractor/trailers access to certain ride locations.

Route Sheets to the next lot are provided by the Show Office usually during the afternoon of tear down day.

DRESS CODE

All of your employees must wear clean uniform shirts which are available for purchase through Reithoffer Shows. No facial hair other than a neatly trimmed mustache is permitted. Hair must be clean and worn above the shirt collar. If hats are worn, they must be Reithoffer Show hats only and can be purchased where you get the Show shirts.

All of your regular employees are required to wear a Reithoffer Shows ID badge during the Fair season. ID badges are made at various times throughout the season. Your employees must meet the dress code requirements in order to have their ID picture taken. The Concession Manager will tell you when a photo ID session has been scheduled.

Town help Gate Passes must be picked up daily by the concession owner/manager prior to closing of the Show Office.

RESPONSIBILITY FOR YOUR EMPLOYEES

Privilege and P/C payments may be made at the Show Office after the Show is open. Except on tear down night, payments will not be accepted once the Show Office begins the close-out process for ticket sales.

All money paid to the Show Office must be neat and separated by denomination. Large bills are appreciated and will speed up the payment process. Coin is NOT accepted for any payments. Please bring your copy of the Privilege slip when making a payment if you need a receipt.

Please have your tax information and payment ready to meet with the tax collectors at the scheduled time(s).

You are also responsible for keeping the trailer site(s) clean at all times and making sure that all trash is picked up on tear down night.
